

Take Your Website to the Next Level with Dimaco!

Essential Web Content

Need a new website design from scratch, or to update your existing site? Let Dimaco improve your Internet presence.

Basic Website Solution \$1,500

This site includes 5-6 pages developed just for you. Consult with our designers and get a customized product, complete with site map and navigation.

Large Website Solution starting at \$5,000

This site includes in excess of 50 pages and/or includes dynamic and programmed content such as databases, catalogs, shopping carts, etc.

Medium Website Solution \$2,500

This site includes 25-50 pages and has no dynamic or programmed content.

Email Blast \$150 - \$500

Keep in touch with your customers or prospects with email blasts from Dimaco. We can take your direct mail campaign and give you a ready-to-send email.

Copy and content should be provided by the customer.

Add-Ons

Extend your new or existing website further with a variety of optional components.

Flash Integration starting at \$600

Add animation to a new or existing site with Flash, the premiere animation tool for the Web.

Catalog / Database Integration starting at \$1,000

Add a dynamic list of items, services, products or anything else you want to a new or existing site.

Blog Integration starting at \$1,000

Add a weblog (blog) to a new or existing site to keep your content fresh and your customers coming back.

Customer Login / Ordering Integration starting at \$1,000

Add password-protected areas to a new or existing site for member-only access.

Hosting & Maintenance

Let Dimaco handle keeping your website up-to-date with service plans designed to reduce your workload.

Hosting Service \$40 / month

Dimaco can physically store your website on our servers.

Update & Maintenance Service \$75 / hour

Dimaco can keep sites up-to-date according to your needs, with 24-, 48-, and 72-hour turnaround on requests.
